ALBERT WOHLSTETTER  
UNIVERSITY PROFESSOR

2805 Woodstock Road  
Los Angeles, California 90046  
(Until March 15, 1970)

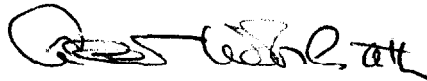

January 27, 1970

Dr. Joshua Lederberg  
Stanford University  
Palo Alto, California

Dear Dr. Lederberg:

I am most grateful for your sending me the three short pieces on race, IQ and genetics. Even the one that I had already seen was better in the original Washington Post version than in the Chicago Sun-Times. In any case, I find them very thoughtful and shall refer to them.

Sincerely,

Albert Wohlstetter
